Class Song

(Tune—"Daisies Won't Tell")

Four long years we've struggled,
For this parting day,
Many are the victories
We've won on the way.
We shall always treasure
Memories of thee
And our dear old High School
Ever honored be.

CHORUS

Dear School, we leave thee,
Ne'er to return
Always we'll love you,
And for thee yearn.
We will ne'er forget thee
And always be true,
Forever faithful
Dear School, to you.

Maroon and white forever,
Is our battle cry,
May our colors always
Be unfurled on high.
And our motto ever
Be our golden rule
In the world's great battle,
"Life is now our school."
